

IN TWO SHORT DAYS the Game Changer Program will have you unleashing your potential and accepting responsibility to be the Game Changer in ALL of your relationships. This experiential training program utilizes a series of powerful videos featuring Mike Jones and is delivered by facilitators who have been certified by Discover Leadership Training.

I learned to take responsibility; commit to be the person changing the game instead of waiting for the game to change.

Jeff Evans
ATK Aerospace

FACILITATOR CERTIFICATION

Through our Facilitator Certification your leaders will be equipped to deliver this game changing program within your organization.

Very interactive. Message was presented with class participation and laced with stories.

TJ Washington
Insperity

If you, your team or organization struggle with the "blame game" on why things aren't getting done, then it's time to create some game changers!
